GATOR DRAIN TOOLS

At Gator Drain Tools, we manufacture the most versatile drain cleaning equipment and best portable CIPP equipment on the market! Built for ease of use, durable and affordable. Our machines just make sense and help our contractors add to their bottom line.

PROUDLY AMERICAN MADE

We offer a full line of trenchless pipe lining and drain cleaning equipment. We specialize in manufacturing high-quality drain cleaning tools built by American technicians for American technicians.

Gator Drain Tools management team has 50 years of combined experience specifically in the small-diameter markets. Our management has many patents listed and has developed some of the most ground-breaking technology the pipe lining industry has ever seen.

Our management team has lead the industry for decades and plans to lead the industry to the next level of technology and know-how.

GATOR 6MM

FLEX SHAFT DRAIN CLEANING MACHINE 6MM CORDLESS

Includes Two Chains and Drill Connect*

Chain Heads Included:

- 6mm Chain Knocker + Carbide for 1.5"-2" Pipe
- 6mm Chain Knocker + Carbide for 2" Pipe

- Battery Operated - Cordless
- Cable Size: 6mm
- Flex Shaft Cable Length: 50ft
- Sheathing OD: 10mm
- Light-weight, portable
- Ideal for roof access
- Perfect for residential applications & tight spaces
- Compatible with any battery-operated drill
- 1.5", 2", 3" pipe diameter
- Tool Pouch included to store Gator Claws
- Can be inserted through toilets for soft blockages

Product # GDC6MM

\$950.00 USD

GATOR 8MM

FLEX SHAFT DRAIN CLEANING MACHINE 8MM CORDLESS

Includes Two Chains and Drill Connect*

Chain Heads Included:

- 8mm Chain Knocker with Carbide for 3" Pipe
- 8mm Chain Knocker with Carbide for 4" Pipe

- Battery Operated - Cordless
- Cable Size: 8mm
- Flex Shaft Cable Length: 50ft
- Sheathing OD: 14mm
- Light-weight, portable
- Ideal for roof access
- Perfect for residential applications & tight spaces
- Compatible with any battery-operated drill
- 2", 3", 4" pipe diameter
- Tool Pouch included to store Gator Claws

Product # GDC8MM

\$1,325.00 USD

GATOR BOSS 2.0

FLEX SHAFT DRAIN CLEANING MACHINE 10MM INTERNALLY DRIVEN

Includes Full Gator Ammo Box Toolkit*

- Cable Size: 10mm
- Flex Shaft Cable Length: 100ft
- Sheathing OD: 18mm
- Convenient built-in foot pedal and/or hand switch
- Built-in motor
- 6500 RPM at the motor
- 120 V power supply
- 3", 4", 6" pipe diameter
- Variable speed control with a digital readout
- Internal fan for cooling
- Versatile waterproof Ammo Box Toolkit included

KEY FEATURES:

- Lateral cutting
- Drain cleaning
- Reinstates branch lines
- High-speed flex shaft cleaners to descale cast iron pipe
- A variety of cleaning, sanding, & reinstatement heads available

Product # GDCB10MM

\$7,250.00 USD

INCLUDED IN AMMO BOX TOOLKIT:

- 2"x4" L Ceramic Sandpaper
- 4"x4" XL Ceramic Sandpaper
- 4"x6" XXL Ceramic Sandpaper
- 8mm & 10mm L Sandpaper Hub
- 8mm & 10mm XL Sandpaper Hub
- 10mm x1" Reinstatement Head
- 10mm x3" Reinstatement Head
- 10mm Hole Saw
- 10mm Chain Knocker w/ Carb for 3" Pipe
- 10mm Chain Knocker w/o Carb for 3" Pipe
- 10mm Chain Knocker w/ Carb for 4" Pipe
- 10mm Chain Knocker w/o Carb for 4" Pipe
- 10mm Chain Knocker w/ Carb for 6" Pipe
- 10mm Chain Knocker w/o Carb for 6" Pipe

GATOR MINI BOSS

FLEX SHAFT DRAIN CLEANING MACHINE 8MM INTERNALLY DRIVEN

- 900-2600 RPM
- 75' Flex Shaft Cable
- Size: Mini
- Convenient hand switch
- Built-in motor
- 900-2600 RPM at the motor
- Built-in speed controller
- 120 V power supply
- 2", 3", 4" pipe diameter
- 75' 8mm Flex Shaft Cable or your choice of 10mm 50ft Flex Shaft Cable

KEY FEATURES:

- Lateral cutting
- Drain cleaning
- Reinstates branch lines
- High-speed flex shaft cleaners to descale cast iron pipe

UV PIPE PATCH SYSTEM

The Gator Drain Tools UV Pipe Patch System stands as the most straightforward and cost-effective UV repair system on the market today. Skip the hefty capital investment—our system is designed to be accessible without breaking the bank. It includes easy-to-use replacement parts tailored for field use, keeping downtime and costs low.

AMERICAN MADE. MILITARY TOUGH.

UV PIPE PATCH SYSTEM

GATOR

UV PIPE PATCH

CURE LINERS IN 5-7 MINUTES!

The Gator Drain Tools UV Lining System stands as the most straightforward and cost-effective UV repair system on the market today. Unlike other systems that may require significant capital investment, our system provides an accessible entry point to UV lining at a fraction of the cost. It features easy-to-use replacement parts that are designed for field use and are affordable enough to keep in stock, ensuring you can maintain your equipment with minimal downtime and cost.

HOW IT WORKS

»» Designed for simplicity and efficiency!

Our bladders are replaced with every repair, and each repair kit includes a new bladder, reducing the risk of blowouts. We utilize high-quality IPT felt liners, eliminating the need to work with awkward fiberglass materials that require multiple inflations before curing. With our system, you inflate to 5lbs, hold for a few minutes to allow resin bleed, and you're ready for a 2-minute UV cure.

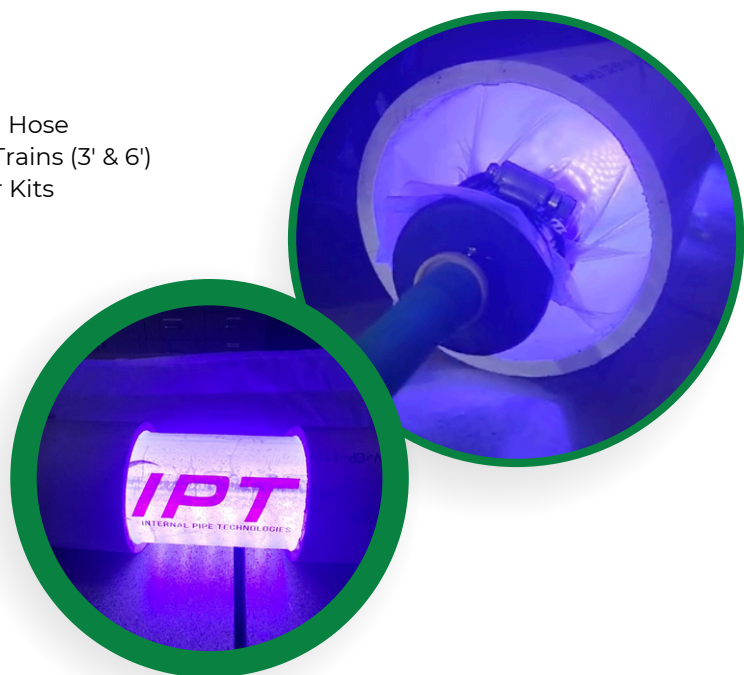

»» Sizes and Diameters:

- 3' x 3"
- 3' x 4"
- 3' x 6"
- 6' x 3"
- 6' x 4"
- 6' x 6"

»» Includes:

- 25' Push Hose
- 2 Light Trains (3' & 6')
- 4 Repair Kits

Our repair kits include the exact amount of resin needed, and, like all of our liner products, the wet out is encapsulated for a mess-free and user-friendly experience. To make things even easier, the system comes with a specified small compressor, providing a truly turn-key solution. This comprehensive setup ensures you have everything you need for quick and reliable UV lining repairs.

Product # UVLS

\$11,500.00 USD

PIPE LINING EQUIPMENT

Gator Drain Tools offers a full line of trenchless pipe lining equipment. Built for ease of use, durability, and affordability, our products are proudly made in the USA. Discover the Gator difference!

AMERICAN MADE. MILITARY TOUGH.

WET OUT EQUIPMENT

Gator portable wet out stations can be easily calibrated to any felt and come in various configurations. Rollers are designed for pipe sizes ranging from 1.5" to 6" with the capability to control lengths up to 8". The available gauges range from 2mil to 4mil liners. Featuring an adjustable top roller, these rollers can be operated manually or with a drill attachment.

Simply the most versatile and mobile way available to wet out liners!

AUTOMATED WET OUT ROLLER

The Gator Automated Wet Out Roller can be used with a standard battery pack (battery of your choice) and will also switch over to 110v with a simple flip of a switch. Roller can be latched to the Gator Automated Wet Out Table System.

Product # ENAWOTNOT \$3,200.00 USD
